## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution does assess the learning levels of the students at the time of the beginning of the programme. The students enrolled in various faculties are identified as slow and advanced learners based on their higher secondary marks. The teachers of the respective classes extend valid support in classifying the students with reports based on observation and class tests. The institution organizes Fresher's party where the senior students welcome the newly enrolled students. This is a cultural and educational programme through which there is an exchange of ideas, emotions and feelings. This programme is held under the supervision of cultural committee every year. Every department of our college and its teachers introduce the subject and orient them on the scope and opportunities in present and in future. The scope of the subjects being taught and learnt are introduced in the sessions held by every department. The teachers also guide the students to possess positive attitude and healthy competitive spirit. This process helps as a base for supervising the future progress of the students.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

L.L.D.M.M believes in the implantation of student - centric methods to engage our students while teaching - learning takes place in our classes. Seminars, question answer session, Team - work, industrial visits and educational tours to different places are reflected in project work. Workshops, guest lectures, field visits help our students to engage them and involve them in teaching - learning process. Experiential learning Third Year students write project work for their major papers. under the super vision of their teachers. The departments identify and propose academically important field visits and exhibitions. The educational tour of different historical and educational centers are arranged every year. The departments also plan and organize the industrial visits for students to provide exposure to industrial work culture. Many of our departments organize the guest lectures of eminent experts from Arts, Commerce and Science to supplement the teaching process and provide experiential learning. The activates of NSS both regular and special camp, village adoption, tree plantation, institutional social responsibility through AIDS rallies also help our students to work in pairs and within the community. Swatchha Bharat Campaign and Health Awareness camp are also organized to enhance the spirit of team work.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

L.L.D.M.M has transparent and robust evaluation process in terms of frequency and mode. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students in time. The Principal holds meetings of the faculties and directs them to ensure effective implementation of the evaluation process. At the entry level, the admissions are given purely on First come first serve. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at college level continuous evaluation is made through group discussion, unit tests, assignment submission, field visit, and seminars presentation. Unit tests are conducted regularly as per the schedule given in academic calendar by the university .The students of second and third year are asked to deliver the seminars of the concerned subject. Topics are given by their teachers to the students to prepare for the seminar. Internal assessment is done in every department by conducting internal exams . Due to internal assessment, the interest of the students towards learning and attending the classes has increased. The seminar presentation improves the communication skills of the students which is very essential to face the interviews.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

L.L.D.M.M has always given priority to the student's academic growth . Our college chief superintendent, Principal and college

office clerk look into the grievances related to university examination. Our faculties inform our students about the class test, unit test and seminars before they are conducted. At the beginning of the semester faculty members inform the students about the various components in the assessment process during the semester. The internal assessment test schedules are prepared as per the university and communicated to the students well in advance. The marks obtained by the students in internal assessment tests are shared with them day to day performance of the students is assessed for every laboratory experiment which includes regularity, performance, and promptness in submitting the record. For lab related experiments, final year projects the evaluation is done by the external examiner appointed by the college Principal. The college appoints a faculty member as chief superintendent of university examination for smooth conduct of examination. The queries related to results, corrections in mark sheets, other certificates issued by the university are handled at BAMU examination section after forwarding such queries through the college examination section.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

L.D.M.M adopts Outcome based education rather than passive type of teaching learning education. Initially at the admission process the students seeking admission to our institution are given the booklet in which the pattern of subject - groups in stated. All the information is given to the students at the admission information desk. Committees of teachers are formed faculty wise which orient on the subjects and their scope in the present and future. The features of the graduation and post - graduation are described to the first year students at the beginning of the programme. At least three to four lectures are delivered by every teacher to their students giving them satisfactory information about the subjects and their papers. Our faculty members time also work on the syllabus framing committee formed by Dr. B.A.M.U. Aurangabad. Teachers give extra time to the students to inform them about their performance after every test, seminar or

assignment the teachers communicate their performance to the students. All the practical are held in the well - equipped laboratories. The students are made aware of the course outcomes through test. Seminar and tutorials. Learning outcomes are observed periodically and are communicated to the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The course outcomes are measured through syllabus, completion of syllabus, continuous evaluation (internal evaluation), and setting up of question paper, evaluation and result. At the department level the heads of the department and the teachers who are engaged in class strive to complete the syllabus in time and in some cases extra classes are conducted for the students who are identified as relatively average. To ensure students participation in the class the 75 percent of compulsory attendance to qualify for writing the exam of the courses is adhered to. The continuous evaluation is done through tests, quizzes, written assignments, seminars, oral presentation, field work and study tours. The end semester exam of every course is based on written examination of two hours. The programme specific outcomes are measured by taking aggregate result of all courses in a given programme of an individual student and then the average performance of all the students in a given programme.

## 6.3 - Faculty Empowerment Strategies

### 6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

We as an Institution have evolved an excellent work culture of respecting each other and thus creating an ambience congenial for academic and personal growth. We believe that when the staff grows the institution also grows. Steps for professional development of teachers:

- Talks for team building.
- Faculty is encouraged to register for Ph.D.
- Periodic staff get-together

- Recognition of the achievements of the staff at appropriate forums.
- Our extremely supportive nonteaching staff is encouraged to hone their technical, academic and soft skills.
- Encouraging them to acquire higher qualifications.
