1. Curriculum Aspects Page 1

1.1.1 The Institution ensures effective curriculum planning and delivery through a well planned and documented process including Academic calendar and conduct of continuous internal assessment.

The university designs and develops the curriculum. We have accepted the semester pattern at UG level with Choice Based Credit System. The university circulates the academic calendar at the beginning of the academic year. On the basis of this academic calendar, IQAC prepares the action plan of the academic year which is followed by every department of the college.

The academic calendar is displayed on the notice board and on the college website. The UG admission process is carried out as per university rules & regulations. Timetable committee plans theory and practical timetable. The departmental meetings are conducted and the syllabi are distributed among the faculties. The faculty prepares monthly teaching plans as per the syllabi and it is monitored by the Head of Department and the Principal. The timetable is also displayed on the college notice board and college website.

The college has self-designed Certificate, Value Added and Add on Courses focusing on employability enhancement and entrepreneurship development.

The classroom teaching is made effective by Experiential learning, Participative learning, and Problem-solving learning, Seminars, and Group Discussion. Effective use of ICT by each teacher ensures fruitful delivery of the curriculum to students.

Teachers created a repository of PPTs and videos of teaching for the benefit of the students. Faculty are invited to deliver guest lectures as per the need. Faculties are motivated to participate in FDP for updating the subject knowledge.

IQAC takes feedback on curriculum, CIE, attainment of COs, POs & PSOs from different stakeholders and communicate it with teachers and the affiliating university for appropriate actions.

IQAC takes inputs from all sections and prepares Academic Calendar which includes planning of academic and non-academic activities. It also includes planning of Internal Examination mentioning tentative schedule of examinations with dates of examination and result declaration dates. The plan also includes the details of admission and university exams and preparatory work for the same. The Academic Calendar is put on Notice Boards, uploaded on website, printed in Prospectus and students are made aware about it through induction programmes.
