CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Since many staff members are part of the Syllabus Committee as a result, as soon as the syllabus is passed through the academic council it is shared with the members of the department. The curriculum is discussed and reference books for updating information are ordered. Topics are distributed and meetings are held to share the information and to come out with a plan to implement the curriculum in an effective manner. If need be external experts are invited to train for a specific topic. The co-curricular activities are also designed to supplement the implementation of the curriculum by practically doing things and enhancing the skills of the students. The academic inputs of our faculty, especially, those who are members of the Board of Studies have gone a long way in the restructure initiatives of various subjects in the University syllabus. Since the faculty members are actively involved, a data base is maintained of various curricula from other Universities in India and abroad including the UGC curriculum. Student feedback is also taken about the course content during the

visits by members of the Local Inquiry Committee.
