**GREIVANCE REDRESSAL CELL**

As suggested by University Grants Commission, New Delhi, the College has established a Grievance Redressal Cell, to provide a mechanism for redressal of student's grievances and ensure the prevention of unfair practices etc. The function of the cell is to look into the complaints lodged by any student, judge its merit and take appropriate action if required. The Grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the Grievance redressal Cell. In case the person is unwilling to appear in self, grievance may be dropped in writing at the letterbox/suggestion box of the Grievance Cell near Principal cabin. Grievances may also be sent through e-mail to the officer in-charge of Student's Grievance Cell.

**Objective:**

The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the students and staff of the college in order to maintain a harmonious educational atmosphere in the College. A Grievance Cell is constituted for the redressal of the problems reported by the Students of the College with the following objectives:

1. Upholding the dignity of the College by ensuring free atmosphere in the College through promoting cordial student-student relationship and student-teacher relationship.
2. Encouraging the Students to express their grievance/ problems freely and frankly, without any fear of being victimized.
3. Suggestion / complaint Box is installed in the college in which the Students, who want to remain anonymous, put in writing their grievances and their suggestions for development of the College.
4. Advising all the students to respect other students, teachers and college administration.
5. Advising all staff to be affectionate to the students.
6. Ragging in any form is strictly prohibited in and outside the college. Our's being a women's college, there are no such incidents. The atmosphere here is friendly, free and frank.

**Scope:**

The cell will deal with Grievance received in writing from the students about any of the matters related to Sanitation, preparation of food, availability of transport, victimization by teachers etc.

**Functions:**

1. The cases will be attended promptly on receipt of written grievances from the students. The cell will review all cases and will act accordingly as per the Management policy.
2. The cell will give report to the authority about the cases attended to and the number of pending cases, if any, which require direction and guidance from the higher authorities.

**Procedure for lodging complaint:**

1. The student may feel free to put up a grievance in writing and drop it in boxes.
2. The Grievance Cell will assure that the grievance has been properly solved in a stipulated time limit provided by the cell.

**Follow up & covering:**

- 1. Grievance Redressal Cell shall coordinate, cover and insure redressal within a stipulated time (maximum 10 days)**
- 2. Depending upon the properness of grievance the Grievance Redressal Cell will follow them up regularly till their final disposal.**
