IQAC Quality Initiatives

Various Quality parameters that are mandatory for the NAAC Assessment & Accreditation process are being **initiated through IQAC**. As a result of relentless efforts, several quality practices and culture have come to be formally institutionalized through active involvement of IQAC, which actively co-ordinates with the college administration. The following activities are carried out in the college through IQAC in accordance with teaching, learning and extension.

The institution is **well equipped with ICT enabled class rooms**. The library includes e-sources center with subscription to latest e-sources.

Planning, guiding and **monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities** of the college. The IQAC channelizes and systematizes the efforts and measures of an institution towards academic excellence.

IQAC has evolved operational framework for quality assurance by integrating with all **academic and administrative operations of the institution**

- **Monitoring the extension and outreach programs** through NSS unit of the college.
- **Collaborate with various institutions and industry**, for students and faculty exchange programs.
- Introducing **best practices like blood donation camp, green audit, rain water harvesting** etc.
- Introducing **quality initiatives like accreditation, feed-back analysis, green audit, internal promotion guidance, research quality enhancement**.
- Evaluating curricular and co-curricular activities.
- **Academic and Administrative Audit**.
- **E-Governance** in Documentation.
- Participation in **AISHE Survey**.
- **Faculty Development Programmes**.

IQAC Significant Contributions and action taken

Students Feedback

Students feedback was collected in the year 2023-24 and analyzed and hosted on the HEI's website. The feedback of the given stakeholder is as has been discussed below is communicated through BoS members of the college to the parent university.

IQAC collects the Feedback on Curriculum from different stakeholders in every academic year. This collected feedback is analyzed under the supervision of the IQAC coordinator and Principal of the institution. Suggestions given by stakeholders in the feedback are discussed with all the head of the departments by IQAC coordinator. These suggestions we have discussed with the BoS members of our institute who are representative of our institute in the university and communicated to university authority for further action.

Regular Teaching Learning Through ICT:

Teachers and students are interacted regarding the changes in the curriculum, new teaching methods and ICT use. This setup has evolved into successful review methodology for improvement in teaching and learning process. Through ICT the IQAC observed the continuous development of teaching-learning process.

Certificate/ Value Added/ Add on Courses:

As a result of the IQAC initiative, after informal discussions with the students, the institution indorsed various need-based certificate, value added and add on courses. As a result of this initiative, the institution has introduced **20 certificates, value added and add on courses** across all departments to boost the teaching-learning processes.
